

## GOLDEN OLDIES PHILOSOPHY

The Golden Oldies World Rugby Festival is primarily a means of bringing Rugby Players and their families together from around the world to share their common interest in Rugby and to have the maximum amount of fun.

Simply stated, the Golden Oldies philosophy is:

1. To participate in a Festival which will provide "fun, friendship and fraternity" for those over the age of 35, who may not play regular Rugby and wish to play occasionally, as well as those who do play regularly, with the emphasis on enjoyment.
2. To provide an opportunity for Rugby Players and their families to travel to different countries, create new friendships and renew old acquaintances.
3. To provide opportunities to highlight and promote Rugby and create reasons to retain an active interest in it.
4. A principal philosophy is that all Golden Oldies Rugby games are played as competitively (or less seriously) as your team wishes. The Festivals are not tournaments and the results of games are not given major prominence.
